

RLC Service Concierge for Independent Living

Our RLC Service Concierge package for tenants at our independent living communities offers our residents the ability and flexibility to live an active and healthy lifestyle with services at their fingertips.

We build our communities with our residents and community partners in mind. Our services offer value added products and services to assist tenants with their day-to-day tasks and needs.

Included in our RLC service concierge package are the following services:

- National Pharmacy delivery service
- Lifeline 24/7 Emergency response
- Yardi property maintenance concierge
- Voluntary Social Media Group pages for community events
- Hearing Aid and Vision care suppliers
- Shuttle Service
- Grocery store partners for delivery services
- Bell and Rogers Communications partnerships
- Sole Comfort foot care – medical grade service
- Dynacare
- Life labs
